Adapted to your skin type and concerns, this unique innovation enables fast and deep penetration using double ionisation technology combined with active ingredients, resulting in exceptional effectiveness.

## **Hydradermie Age Logic - £70** **The Anti-Ageing Star Treatment**

Clinically proven to improve wrinkle depth by up to 49.5%\*, this specially designed anti-ageing Hydradermie facial focuses on the eyes, face and neck to target signs of ageing.

## **Hydradermie Lift - £60** **The Instant Lifting Treatment**

Hydradermie Lift brings revolutionary youthfulness and renewed tone by stimulating the muscles and providing a massage that lifts the facial features. In the same way that body muscles are "sculpted" at a gym, this treatment adds a spectacular "lift effect" to your face after just a few sessions.

## **Hydradermie Lift Express - £50** **The Express Treatment**

For those who are in a hurry and need quick results, this treatment includes cleansing, exfoliation and muscle stimulation restoring a youthful tone to the complexion.

## **Hydradermie Lift Deluxe - £90** **The Ultimate Lifting Treatment**

A combination of the Hydradermie Age Logic and the Hydradermie Lift will leave your skin looking fresh and radiant. Experience an immediate lifting treatment through the stimulation of the muscles, lifting the face, adding firmness and leaving an overall younger appearance to the face.

## **Eye Logic - £55** **The Instant Eye Repair Treatment**

This unique treatment targets signs of ageing and tiredness around the delicate eye area, including fine lines, wrinkles, puffiness and dark circles. Using an expert combination of machine technology, a specific hands-on massage and a specially designed eye mask soaked in a concentrated skin repair serum for maximum effectiveness, 87.5% of volunteers found their wrinkles and fine lines to be diminished and smoothed away.

## CACI Signature Non-Surgical Facial Toning

With state of the art design, and incorporating the latest advancements in electronics, CACI International treatment systems are at the forefront of aesthetic treatment technology.

The CACI machine delivers tiny electrical impulses that mirror the body's own natural bio electrical field. This has many positive benefits on the skin.

Although a remarkable difference is seen after the first treatment, the benefits of CACI are cumulative and typically a course of 12 treatments will be required for optimum results.

### Microcurrent Benefits

- Re-educates muscles,
- Increases blood and lymph circulation
- Enhances the penetration of the active ingredients of skin care formulations
- Increases the production of collagen and elastin
- Increases protein synthesis, gluconeogenesis and cell membrane transport
- Increases mitochondria activity, adenosine triphosphate (ATP)

CACI's signature Non-Surgical Facial Toning is an advanced non-invasive facial, with twenty years medical research behind it. Microcurrent impulses will lift and tone the facial muscles and the neck area, whilst improving skin elasticity and reducing the appearance of fine lines and wrinkles. This gives a more youthful, fresh appearance and glow.
