Hi Everyone,

**This is a special year for us at Beauty Oasis!  
We are celebrating our 20th Birthday!**

Who knew all those years ago when we started in a tiny room in the back of Mirror Image that we would still be here and that we would have grown so much.

Paul and I are so proud of our team and all we have achieved from visits to number 10 Downing street to multiple awards, it has been a dream come true. We could not have done this without the amazing staff members who help us every day and truly do the best in all their treatments and the unwavering support from our lovely loyal clients, many of you who have been with us for over 20 years. Here is a big thank you to both of you!

In celebration of our 20th Birthday in April we are changing and revamping the Weston Salon with a few exciting additions. Starting in February the lay out will be changing so there will be disruption during the following few months but we are going to still be open and will be using the upstairs part of the salon more. Please bear with us, we promise it will be worth it!

With love Sarah x

In February our Weston Salon will start an exciting refit and refurbishment.

We will be adding a dedicated manicure and pedicure area, a hot tub and zen garden with changing and shower facilities and a treatment room that will be able to accommodate groups of friends for a unique urban spa.

We'll be able to offer you a fantastic salon experience!

We plan to complete this amazing transformation by April so keep in touch on social media Facebook, Twitter, Instagram or contact us with your email address so we can put you on our mailing list.
