

BEAUTY Oasis DAY SPA

ULTRA VPL TREATMENT

THE EVOLUTION OF LIGHT FOR HAIR REMOVAL & SKIN

This effective and safe treatment uses, short, controlled pulses of filtered light energy to target the appropriate structures within the skin to reduce imperfections and improve skin texture and tone. It is also an effective way to treat unwanted hair.

- ✔ VPL helps reduce fine lines, wrinkles and enlarged pores.
- ✔ It improves skin texture and tone on face, neck and chest.
- ✔ Effective for removing spider veins and small vascular lesions.
- ✔ VPL reduces effects of acne and rosacea.
- ✔ Eliminates sun and age spots on face and body.
- ✔ Fast and effective hair removal for all body areas.
